

## U.S. Demands Czechs Recall Two Attaches

### Evans Score For Ousted Americans

Washington, Oct. 31—(AP)—The United States partially evens its score with Communist Czechoslovakia today by demanding the immediate recall of two Czech attaches from this country.

Two American diplomatic officials were expelled from Prague within the last 10 days on charges of spying which Secretary of State Acheson denounced as "obviously trumped up." A U.S. Embassy clerk is still being held in jail.

The Czechs ordered out were Edwin Munk, consul general at New York, and Jan Horvath, listed as "housekeeper" of the embassy here. Actually, he is rated by officials as much more important in Communist affairs than the title would indicate.

The State department said only that the two are personally objectionable to this government. The diplomatic phrase is "persona non grata."

The timing and other circumstances of the announcement, however, left little doubt that the expulsion order was intended to have a tit-for-tat effect.

Dr. Vladimir Outrata, the Czech ambassador, immediately asked and obtained an appointment with the secretary of state James E. Webb, the top State department official in Acheson's absence from Washington.

After a 15-minute talk with Webb, he said he had sought an explanation of the expulsion, but "I didn't hear any reasons." He added, however, that when a country asks a foreign diplomat to leave it need not explain its action.

He told newsmen he was "not especially surprised" at the request, adding: "Diplomats as a profession are not easily surprised—especially in these times."

Asked whether he regarded the department request as a reprisal, Outrata replied:

"I think it's clear for you. You can make up your own mind."

In New York, Munk said he will leave as quickly as possible.

The State department put no time limit on the departure of the two Czechs. This was in contrast to the Czech government demand that Isaac Patch, Jr., and John G. Heyn, the American attaches, leave Prague within 24 hours. Acheson declared this a violation of "usual international courtesies."

The Czechs ordered expelled have both been reported active in Communist party affairs. Munk was made consul general in New York after serving several weeks as ranking official in charge of the embassy early last year.

## Negro King, White Wife Are Barred From South Africa

Johannesburg, South Africa, Oct. 31—(AP)—An African thighbone and his blonde London wife tonight were barred from South Africa on the eve of a hearing to decide whether he will rule his tribe.

An official announcement from Pretoria said the Union of South Africa had ruled that Seretse Khama, 27, chief apparent of the Bamangwato tribe in the British protectorate of Bechuanaland, and his wife, Ruth Williams, have been banned.

Seretse, Oxford-educated, married Miss Williams, 24, a London typist, about a year ago when he was in the British capital.

They are now in Serowe, capital of Seretse's mud hut domain. A judicial inquiry will start there tomorrow on a charge by Tsheteki Khama, Seretse's uncle and tribal regent, since 1926, on the nephew's right to the throne. Tsheteki was offended when Seretse broke tribal tradition by marrying a white girl. He walked out.

The South African government frowns on their marriage because it goes against the government's policy of the separation of the races.

## Buried Two Hours But Rescued Alive

Polo, Ill., Oct. 31—(AP)—John Marshall, 40, was rescued unharmed Saturday after he had been buried in a ditch while repairing a water main. The ditch collapsed, covering Marshall completely. Roy Piper and Fred Holby, fellow workmen, ran to a nearby garage for aid. Marshall's head was uncovered quickly and he was able to breathe, but it was almost two hours before he was rescued from the cave-in by a group of men using shovels.

## Stratton Comes Out For State Treasurer

Morris, Ill., Oct. 31—(AP)—William G. Stratton tonight came out for state treasurer, making it at least a five man contest for the republican nomination.

The 35-year-old ex-congressman served a two year term as treasurer from 1943 to 1945. Later he was elected as congressman at-large for a second term. His first was in 1940 to 1942.

In 1944 he was beaten in backing the regular GOP organization for secretary of state. He then served as the in the navy and last year was defeated in the election for secretary of state.

Four other republicans already have announced formally for state treasurer—a two year term in which one cannot succeed himself. The four are Louis E. Nelson, Cook county treasurer in 1950 to use it county treasurer; Theron W. Merry-

man, Chicago alderman and plumber contractor; James Simpson, Jr., Wedsworth, farmer and lawyer; and Mayor Herbert Blanchard of Centerville.

Among others who may run for the nomination are Oscar Nelson of Geneva, former treasurer and auditor; Warren Wright, Graylake, former treasurer; and Conrad Beck, Red Bud, former treasurer.

Stratton made his announcement at a meeting with friends at his home in Morris, Grundy county. He said in a statement that the campaign "will be fought to rebuild the reputation of the state and to elect a man to govern in 1952."

Stratton is a member of the Republican party and has been in the state since 1940. He is a native of Morris, Grundy county.

## Hoffman Urges Removal Of European Trade Quotas

Paris, Oct. 31—(AP)—Paul G. Hoffman, Marshall plan chief, urged up-removal of trade quotas today in a single market of 270,000,000 Europeans for mass-production industry.

This he said, was necessary for two reasons: 1. To give new impetus to support in the United States congress for Marshall plan appropriations until 1952.

2. To avoid leaving Europe at the mercy of the Marshall plan in "precarious balance with the dollar area."

Administrator Hoffman outlined his proposals in a half-hour speech to the 18 cabinet members who make up the governing council of the Organization for European Economic Cooperation (OEEC).

Immediately after the speech nine members, who form a steering committee, went to work hammering out a program in answer to Hoffman's plea.

Hoffman's theme was that a single market of 150,000,000 consumers in the United States, without trade barriers between the 48 states, "has been indispensable to the strength and efficiency of our economy."

"The creation of a permanent, freely trading area, comprising 270,000,000 consumers in western Europe would have a multitude of helpful consequences," he said. "It would accelerate the development of large-scale, low-cost production industries. It would make the effective use of all resources easier, the stilling of healthy competition more difficult."

He proposed four "fundamentals": 1. Means for coordination of national financial and money policies.

2. Means for necessary money exchange rate adjustment.

3. Means to "cushion the effect" of such adjustments.

4. Means to ease strains through "conducting commercial policies and practices."

Mr. Vernon, Ill., Oct. 31—(AP)—A Jefferson county corner's jury held that Christie Brookman, 44, committed suicide by swallowing roach powder at his rural home near here yesterday. Witnesses testified he was worried because he was unemployed. He is survived by his wife and three children.

Scraper, Ill., Oct. 31—(AP)—A 70-year-old farmer died Saturday night of injuries suffered when he was pinned to a corn conveyor after his overalls caught in the machinery. He was Thomas Wingers. The accident occurred last Thursday.

Harrisburg, Ill., Oct. 31—(AP)—Roy Adams, 69, who was deputy grand secretary of the Illinois Masonic Grand Lodge for 33 years, died here today.

Funeral services will be here Wednesday and burial will be Thursday at Camp Point, Ill., his former home.

Alton, Ill., Oct. 31—(AP)—Fire today razed the oldest school building on the campus of Western Military Academy here.

The building, a two and a half story frame structure, housed a canteen. It was more than 50 years old.

Cause of the fire was not immediately determined. It was an estimate of damage available.

Paris, Ill., Oct. 31—(AP)—A Mattoon woman was killed and her two daughters were hurt seriously Saturday night when their automobile crashed through a fence after a tire blew out.

Mrs. Annabelle Klass, 56, died of a skull fracture shortly after the accident. Her daughters, Mrs. Valery Stamper, 57, and Mrs. Elizabeth Morgan, 54, are being treated in Paris hospital.

Waukegan, Ill., Oct. 31—(AP)—Mrs. Clara Spiegel, 2300 Green Bay Road, Highland Park, has filed suit for divorce from Frederick W. Spiegel, vice president of Spiegel, Inc., Chicago mail order house.

She charges desertion. Her husband, in an answer filed today, denied the charge and other allegations in the suit she filed Saturday in Lake county circuit court.

Evanston, Ill., Oct. 31—(AP)—The Rev. Henry Knox Sherrill, New York, presiding bishop of the Protestant Episcopal Church in the United States, received an honorary degree of doctor of sacred theology today from Seabury-Western Theological Seminary.

Springfield, Ill., Oct. 31—(AP)—Central Illinois Public Service Company today reported net income of \$1,124,750 for the three months ended Sept. 30. This was \$209,824 higher than a year ago.

Operating revenues totaled \$6,808,860 for the three months period, up \$479,368 over the 1948 period.

## Retired Vocalist To Receive Degree From Monmouth

Monmouth, Ill., Nov. 1—(AP)—Mary Gardner, retired opera singer, will receive an honorary degree of doctor of music from Monmouth college today.

The degree will be conferred by Dr. James H. Grier, college president, during annual scholarship day activities.

Miss Gardner has returned to this country from her native Scotland for a tour of 25 lectures. One of these will be given at Monmouth college Monday night, Nov. 7.

Founders of the 56 year old Monmouth college were of Scottish origin. Many of today's students and faculty members also have Scottish ancestry.

### President Signs High Farm Price Prop Bill

Washington, Oct. 31—(AP)—President Truman today signed long-range farm legislation which permits the government to support prices of most farm products at or near wartime levels.

The measure, passed by the president today, replaces the support price or by making loans to the producer with his produce as security.

The government supports prices by buying in the open market at the support price, or by making loans to the producer with his produce as security.

The law requires price support of the so-called basic crops—wheat, corn, cotton, rice and peanuts—at 90 percent of parity if he thinks that.

Secretary of Agriculture Brannan indicated they favor 90 percent support, as a general rule, to keep 90 percent of parity next year if agriculture prospers.

Except for the first year—1950—control measures are applied in move to combat surpluses.

## Accuse Johnson Of Smear Tactics

### Solons Send Hotly Worded Blast At Probe

Washington, Oct. 31—(AP)—Four congress members today jointly accused Secretary of Defense Johnson and Secretary of the Navy Matthews of "slandering" and "slandering" the row over national defense.

The legislators, two Democrats and two Republicans, fired their broadside in a hotly worded statement demanding that congress act to prevent "slandering" and "slandering" of congressional witnesses.

His Prior Of Denial Specifically, they denounced what they termed "unjustified" in the firing of Admiral Louis E. Denfield as chief of naval operations.

Denfield was ousted by President Truman last week on Secretary Matthews' recommendation that it was vital "for the good of the country."

The ouster followed Denfield's critical testimony against high defense policies during recent hearings before the House Armed Services committee.

Today's four-man blast against the civilian defense chiefs was signed by Reps. Sawyer (D-Md.), Herbert (D-La.), Arends (D-Ill.) and Cole (R-NM). All are members of the House committee.

Meanwhile, the White House had no further word on reports that Vice Admiral Forrest P. Sherman, navy's second in command, may be stepping over in London, en route to Washington from his post in the Mediterranean, Sherman told newsmen crisply:

"I have no comment to make on any subject."

The 54-year-old admiral, commander of the U. S. 6th Fleet in the Mediterranean, talked briefly in London with Admiral Richard L. Conolly, commander-in-chief of the Eastern Atlantic-Mediterranean fleet, before boarding a Pan American Airways plane again for New York.

The association elected as its president, Carl K. Schmidt, Jr., executive secretary of the Illinois Public Aid commission.

Also named were the Rev. Virgil Lowrey, Chicago, first vice president; Dr. Marietta Stevenson, Urbana, second vice president; Thomas North, Carbondale, third vice president; and Garrett Keaster, Decatur, secretary-treasurer.

## Tito Calls Back Reserve Officers Into Active Duty

Belgrade, Yugoslavia, Oct. 31—(AP)—Marshal Tito, bolstering his defenses, has called back to duty a number of reserve officers, technicians and specialists. This is not a general mobilization of reserves, but the more emphasizes Yugoslavia's general preparedness against possible attempts by the Moscow-led Cominform to overthrow the Tito regime.

In addition, the regular autumn call-up of recruits has begun, and one can find lines of marching teenagers along Yugoslav roads, headed for their two-years of compulsory military training.

Tito has charged Russia and her obedient satellites with pressing their troops on Yugoslavia's borders in an attempt to make the independent-minded Yugoslavs "lose their nerves."

Tito's tough army, believed now to number about 800,000, probably could crumple any of his neighbors' forces unless they had Red army aid.

MAN'S DINNER MAKES PIKER OF ELEPHANT Cordoba, Spain, Oct. 31—(AP)—At Miguel Riberte claimed a gas-tramical record today.

17 pounds of green alfalfa. Three pounds of uncooked corn. Six quarts of wine. Two shots of whiskey.

## Strike-Ending Agreement Is Signed

Cleveland, Oct. 31—(AP)—A jubilant Philip Murray tonight signed a strike-ending agreement for 80,000 Bethlehem Steel Co. workers. He said he hoped it would hasten an end to the month-old, industry-wide shutdown.

\$100 monthly company-paid pension, including federal social security, will go to employees with 25 years service at age 65 or over. A Bethlehem statement said the agreement was subject to ratification by the stockholders.

Murray, president of the CIO and the steelworkers, said the strike ends at midnight tonight in plants of Bethlehem. The nation-wide walk-out has idled more than 500,000 basic steel workers.

Big Steel Wants To Talk Less than an hour after the announcement here, United States Steel Corp. offered to renew negotiations.

"Big Steel," speaking through President Benjamin F. Fairless, said in a statement:

"We renew our earlier proposal to sit down with the steelworkers union in an endeavor to negotiate a mutually satisfactory program of insurance and pensions for our employees."

"Of course we will study the Bethlehem settlement which was announced tonight."

In talking with reporters, Murray said: "The solid front has been broken."

Many Rumors He admitted that there had been "a great many rumors of offers from other companies as a result of the Bethlehem settlement which had been in the air for about 48 hours."

Answering questions, Murray added: "Nobody in the government had anything to do with this deal."

The CIO leader pointed out that the agreement provides that the steelworkers cannot strike to improve the pension plan until after five years. A strike over wages could occur after Dec. 31, 1950.

Murray estimated it would cost the company \$200,000,000 to finance for the next five years the pension-insurance program agreed upon tonight.

Murray called the union's gain a 12-cent package and said the pension part of that would amount "to more than a dime" in cost to the company.

In Washington, government mediator Cyrus S. Ching said:

"In view of a settlement announced tonight, the meeting which I have called for tomorrow morning, to which representatives of Jones and Laughlin Steel Corp., Republic Steel Corp. and the Youngstown Sheet and Tube Co. have been asked to attend, has been postponed subject to later call if the circumstances justify it."

## Engel Not Allowed To Testify At His Trial By Attorneys

Chicago, Oct. 31—(AP)—Sigmund "Sam" Engel, who the state alleges sweet-talked widows out of their wealth, was not allowed to utter a syllable in his defense today to a criminal court jury.

Although the 74-year-old wizard of words expressed anxiety to get on the stand as soon as the prosecution closed its case against him, his attorneys rested their defense after questioning a few minor witnesses.

Engel is on trial on a charge of running a confidence game in which a Chicago widow, Mrs. Reseda Corizan, 39, lost \$37,000. She said Engel posed as a movie producer, promised to build a gigantic production around her singing voice and fled with her bankroll.

Other widows and divorcees told similar stories to the jurors. Some married Engel; others, like Mrs. Corizan, took the string off their purses before any nuptial knots were tied.

While the defense offered no explanation for not letting the defendant testify, the lawyers may have been prompted by Engel's behavior since his arrest in a woman-battered police trap last summer.

The use of carrier pigeons for military purposes began in the days of the Roman Empire.

## WE KNEW HE'D MAKE IT

Well, President Truman did not disappoint us. His old friend Mon Wallgreen had been standing idle in the wings so long we were beginning to wonder whether he'd been forgotten.

But the President never neglects a pal. And this time, by a neat reverse, he transformed adversity into victory of a sort.

The Senate had just rejected Leland Olds, Mr. Truman's choice for another term on the Federal Power Commission. But while hostile senators were savoring their triumph, the President calmly surveyed the situation, saw in it a fine opportunity to take care of Good Old Mon, and promptly slipped him into the vacant notch.

So it looks like Mon will get on stage at long last. But after all, he knows the manager.

## Profits Of Industry Make Upward Turn For First Time In Year

(Copyright 1949 by the Associated Press)  
New York, Oct. 31—Profits of American industry turned upward in the third quarter of this year for the first time in 12 months.

They stood only slightly below the all-time high mark of a year ago, when third quarter earnings were the peak in the record year of 1948.

An unusual feature of the third quarter was the substantial increase in earnings of automobile companies, which off-set a sharp decline in oiling of the work in South America.

The completion by the Associated Press of earnings reports of 314 leading corporations in all major fields showed today a total net profit of \$1,008,044,061 in the July-September quarter.

That is 4.3% higher than the total of \$992,102,819 reported by the same corporations in the second quarter of this year.

It is only 4.1 per cent lower than the \$1,044,983,281 earned by these companies in the third quarter of 1948.

Corporate earnings slid lower in the final quarter of 1948 from their third quarter peak, and the decline continued in the first and second quarters of this year.

The upturn was not surprising to those who watched the recession of early 1949 give way gradually to an economic recovery around mid-year. The present profit trend confirms that rebound.

Those increasing their earnings from quarter to quarter included chemists, air transport and aircraft, metal and electrical products, food products and bakers, and drug and cosmetic manufacturers.

Those increasing their earnings from quarter to quarter included chemists, air transport and aircraft, metal and electrical products, food products and bakers, and drug and cosmetic manufacturers.

Companies with a decline in profits in the third quarter from the second quarter include steel, utilities, auto parts, coal, brewing and distilling, railroad, equipment, office equipment, pulp and paper products, oil and machinery.

### Ways to Save

If you were a Nigerian your "savings" would consist of excess grain which you had accumulated over a period of years and which you would store in a giant mud "silo." Some years your savings would be so small that you could almost count the number of kernels added to your store. . . but you would save them, nevertheless. It is amazing how fast a small amount, saved regularly, adds up when saved at Jacksonville Savings & Loan Association. All the time you are saving more, your money is earning more for you. That's why it's fun to save at Jacksonville Savings & Loan Association. Stop in and let us explain.

### Cards of Thanks

Clancy, Thomas E. May we take this method of thanking our neighbors and friends for their kind expressions of sympathy in our bereavement. These expressions have been greatly appreciated.

Brothers and Sisters.

There are not enough words to express our sincere thanks to all who extended comforting sympathy and help in our recent sorrow. In the loss of our wife and mother. Also to the Doctors, nurses and nurse-aides at Passavant Memorial Hospital, we are deeply grateful.

Norris Bracewell, Mr. and Mrs. Wayne Bracewell, Mr. and Mrs. Kenneth Sperry.

We are deeply grateful to the many friends who have assisted us in any way during the illness and loss of Dr. Clancy. Our thanks too for all the beautiful cards and comforting messages.

Inez V. Canutey and family

To all my friends who have been so kind to me during my illness I wish to express my sincere appreciation.

### Glasgow Baptist Mission Society At Young Home

Glasgow — The Glasgow Baptist Mission Society conducted its October meeting Friday evening at the home of Mrs. Gertrude Young, with Mrs. Hettie Cowper as assistant hostess. Fourteen members and seven guests attended.

Devotional from Acts 11:12-13 was conducted by Mrs. Gertrude Young. After the business meeting, roll call was answered with a Bible verse followed by prayer by Mrs. Hettie Cowper.

Two special hymns were played by Miss Jane Hester and Carol Savage on the accordion and piano, respectively. A vocal solo was rendered by Miss Rita Savage.

An interesting and instructive talk on "Message on Japan" was given by Rev. John Scott of Winchester, after which a special piano solo was played by Carol Savage. The Missionary prayer was offered by Mrs. Gertrude Young.

During the following social hour refreshments were served by the hostess and her assistant, with the table service having a Halloween touch.

Rev. Gregg To Speak  
Rev. L. Gregg, pastor of the Episcopal church in Carrollton, will be the speaker at a service to be held Tuesday night, Nov. 1, in the Glasgow Baptist church.

Rev. Gregg will give a presentation of the program of the denomination for this year, which is Stewardship.

The picking of this year's crop of apples in the Smith orchards, south of Glasgow, was finished this week, with a portion of the local crop being transferred to the Smith orchards near Valley City.

The pickers and other workers were marked the closing of the season with a fish fry at the Sportsman's club lake, south of town Wednesday evening.

**Community Program**  
The Zion's Neck Community program was held in the Zion Neck schoolhouse, west of Glasgow Thursday evening, with a good attendance.

## Survivor Of Jap Attack Sees Film Which Tells Story

"Task Force," the picture now showing at the Illinois Theatre, has special interest for Francis E. Best, U.S.N.R., 200 East Greenwood avenue.

The film depicts the fighting history of the air craft carrier which suffered the worst attack made on an American ship in action during the history of the navy, the U. S. S. Franklin, on which Lt. Best served as a member of the admiral's staff.

A large part of the film, especially the combat scenes, are actual navy films, most of which was shot from the Santa Fe.

In the deadly attack which the Japanese made on the Franklin on March 18, 1945, 1500 casualties were suffered, with 680 men killed.

Best, one of the survivors, will present an account of the attack at the December meeting of the Reserve Officers association.

Best, who is now district representative of the Quaker Oats company, spent 41 months in the navy, serving on four other air craft carriers besides the Franklin. These were the Lexington, the Randolph, the Hancock and the Wasp.

# JHS Eleven Winds Up Season With Two Games This Week

## Routt Six Faces One More Hurdle Enroute To Perfect Grid Mark

Paul Stroud's Routt six-man football team dangles its perfect record only one game away from being a reality. The league-leading Rockets will play one more opponent this season, the J.H.S. Bulldogs Thursday night.

Already the newly-formed 2-C six-man grid conference champs by virtue of an unblemished string of five victories, the local east-side Rockets squad has only one more hurdle to clear in a non-conference game, then a second-place tie with Meredosia in the five encounters. Neither club can win a perfect mark. Because the Rockets have a 2-0 record, they must win the game to reach a 3-0 record, which would give them a perfect grid mark.

Led by the Spartan-like Sonny Loneragan, Routt has swept over everything in its path. Loneragan, a hard-running fullback, leads the Rocket offense with 12 touchdowns scored in the five encounters. Extra points like his point total to 75 for the season. He hit pay-dirt four times in last week's rout of Arenzville.

**Ann Sharp Passing Attack**

A sharp-passing quarterback back named A. J. Speer, gives Routt a deceptive one-two punch that has paid off with a great deal of success to date. The Jacksonville team owns single victories over Franklin, Meredosia and Chandler in the five-club league.

With a better-than-fair chance to snare undefeated honors in this, their first year of football since 1946, Routt footballers are pointing to the Franklin meeting as "the game of the year."

Meredosia journeys to Chandler for the other conference game Thursday night. The Dech gang will win over the Comets, while clinching second-place spot in the league.

## Shotton Status Still In Doubt

Brooklyn, Oct. 31—(AP)—Brooklyn Dodger noters will have to wait another week before knowing for sure whether Burt Shotton will return as manager next year.

Shotton, who recently reached his 55th birthday, was to have been the main figure tomorrow at a scheduled press conference called by President Branch Rickey. However, the conference was postponed today until Nov. 8.

It is expected that Shotton will be returned to the post.

## Dean Cochran, Greenfield Back, Second In Scoring

Springfield, Ill., Oct. 31—(AP)—Jim Oyler of Morris today paced the individual point-taking derby on downstate high school gridirons with 109 touchdowns in seven games.

Cochran, a speedy 170-pound halfback, bolted out in front with 8 touchdowns in Greenfield's 26-0 rout of White Hall. Ochschnager went scoreless as Dwight bowed 33-6 to Pontiac after six victories in all six previous tilts.

The spry zooned Oyler past a dozen other players, including Dean Cochran of Greenfield and Don Ochschnager of Dwight who were tied for leadership a week ago with 89 points apiece.

Cochran hoisted his total to 107 with 18 markers in Greenfield's 26-0 rout of White Hall. Ochschnager went scoreless as Dwight bowed 33-6 to Pontiac after six victories in all six previous tilts.

Overshadowed by Oyler's feat was a five touchdown performance by Halfback Gene Favin in West Chicago's 28-13 romp over Batavia, and four touchdowns eruptions by six other players.

Halfbacks Glen Temples of Oakland, Bob Lamphere of Geneva and Marvin Hamilton of Lexington, along with Fullbacks Lester Holmes of Wheaton, Don Smith of Robinson and Jack Casselman of St. Teresa (Decatur) all crossed opposition goal lines four times in leading their teams to easy wins.

**MINGLERS**

Human blood transfused into a dog of monkey destroys the red corpuscles in the animal's own blood, but when transfused into a chimpanzee, blood of ape and man mingle harmoniously.

## Bell Of SMU Says Extra Point 'Unfair'

Dallas, Oct. 31—(AP)—Coach Matt Bell of Southern Methodist, whose team beat Texas, 7-6, Saturday, said today he still thinks the point after touchdown should be legislated out of football.

Bell advocated abolishing the extra point by several years ago but says he couldn't get any support on the national rules committee of which he now is a member.

"It isn't fair," he declared. "A team can play you on even terms, even be better than you—and score a touchdown the same as you. Yet it loses because one guy kicks the ball between the goal posts and another doesn't."

Bell chose an opportune time to renew his opposition to the extra point. The first time he came out against it was after the 1947 Southern Methodist-Texas game which SMU won 14-12.

"I think if we'd get rid of the point after touchdown we would see better and more thrilling football," he said. "The teams would open up more, try to score touchdowns instead of sitting back and protecting a one-point lead."

"I wouldn't do away with place kicking, however. I think the field goal still has a place in football. After all, a team has to carry the ball down there in order to get a chance at a field goal."

He added that there was no great thrill in football than the field goal. "It is a spectacular thing," Bell said.

Doak Walker's point after touchdown in 1947 knocked Texas out of the southwest conference championship. His extra point Saturday knocked Texas out of the conference race.

"The only thing Doak did in practice Friday was practice kicking extra points," Bell said. "He tried a dozen. It paid off, of course. But I still think we shouldn't have it in football."

Walker was out of uniform for 10 days because of an attack of influenza. He appeared in only 11 plays against Texas and never did carry the ball. But his one appearance to kick the extra point won the game for Southern Methodist.

## Leading Scorer Of Team, He Only Kicks Conversions

Hardford, Conn., Oct. 31—(AP)—One of the higher scoring players on the high scoring Trinity College football team makes his points one at a time.

A host of fast, hard-running backs has pretty well divided the 41 touchdowns Trinity has scored this season while beating five opponents without a loss. But Bill Vibert does all the extra point kicking.

His 31 points compared favorably with the 36 held by fullback Roger Hall, the leading scorer on the team. Vibert, a 20-year-old, 155-pound sophomore from Unionville who played three years of football, basketball and baseball at Loomis Institute, might well be the team's leading scorer were it not for an off day against Norwich University. His mates gave him 11 touchdowns, but he converted only five.

Otherwise, he's been pretty accurate—four out of five against Williams, four out of six against Hobart, nine out of 10 against Middlebury, and eight out of nine against Worcester Tech.

## At Rushville Tonight, Host To Havana Friday; I S D Here; I C Travels

The Jacksonville high school greatest advantage, Campbell, an Crimsons still smarting from a 13-0 other soph. with a bright future, homecoming defeat administered by hard-running Clinton outfit here; quarterback. He developed into a Friday, pounded into the stretch drive hard-runner and has been used as a of their grid season tonight when they take on Rushville's underman- Walker and Campbell will sur- plant another pair of lighter and faster sophomore halfbacks, Billy son with a final home appearance Sabatini and Jess Meado. Kraush- Friday night, entertaining Havana, near expects this shift to bolster his Kick-off time for both contests is around game considerably and en- able the Crimsons offense to quit slated for 8 p.m.

Art Yates' S.D. footballers, who also dropped their homecoming loss last week — Indiana 18-6 — are scheduled for a last home game and will play the Westview team Saturday afternoon in the Western. Nones, Ron Kemp, tackles; Jack Chapin, John Rhodes, guards and three 2-2 record against Auburn. They camped with a home sweater in their season next week's journey to Knoxville, Tenn. In a joint start; Nones will shift to center and freshman Jim Beck will take over the left tackle position.

Al Miller and his Blueboys take a long hunt to Crawfordsville, Ind. Saturday. They'll go against Wash- ington College's first eleven in a non-conference battle. The Blueboys are nursing a record that is hailed "way above par" this season. With a mark of four wins, one tie and one loss, the I.C. griders stand at the halfway mark in the Little Nine over- league standings. The Millermen came from behind in the last quar- ter to nip Carthage 18-7 in a loop- set to their last Friday night.

Returning to the immediate ac- tion at hand, Bob Kraushaar's Crimsons club is still looking high for their first victory of the season. Closest they've come to date was the 7-7 tie with Little Winchester early this fall. In point of rushing attack, the Crim- sons have an opponent that is not too strong. Havana knocked the Rushvilles 8-6 and they've also fallen victims to Mason and Trinity of Gale- burg clubs.

**Switch In Backfield**

Head coach Kraushaar confides that he is contemplating a switch in his backfield tonight in an effort to bolster his offensive attack. The Crimsons forward wall has shown decided improvement in the last two games, but the touchdown-de- partment has suffered from gross neglect. The Jacks came through for a single tally against Feitshans and were ignominiously shut-out by Clinton.

The change, Kraushaar stated, will put Johnny Walker and "Pee Wee" Campbell at the half- backs and either Jan Sommer or Bruce Samore at quarter. Big Maylon Baldwin is a fixture at the fullback post.

Walker, a promising sophomore, has seen little action up to now this year because of a foot injury suffered in the first game of the season. He has played offensive quar- terback in the last two games, where his passing could be used to the

## Valley Notes

By John Campbell

The Carrollton dressing room was a noisy place after their 16-0 win over Roadhouse Friday night. A League birthday cake was presented to Coach Bradley and everyone present received a big piece of cake, including two Jacksonville officials, Emile "Savage" and Keith Peacock. Carrollton Attorney Jack McDonald, a Crimsons club is still looking high for their first victory of the season. Closest they've come to date was the 7-7 tie with Little Winchester early this fall. In point of rushing attack, the Crim- sons have an opponent that is not too strong. Havana knocked the Rushvilles 8-6 and they've also fallen victims to Mason and Trinity of Gale- burg clubs.

They are the only team from that city to even get a football title in the Valley loop. Congratulations to Coach E. V. Hall and his fine team for this season's record and at least a share of the 1949 championship. Jim Warford, Dale Bridgewater and Jim Thurston are crowding the two leaders, Bob Graner of Carrollton and Dean Cochran of Greenfield for the high scoring mark.

## JOE LOUIS WILL MEET JOE CHESHUL

Newark, N. J., Oct. 31—(AP)—Joe Louis, retired heavyweight champion, signed today to meet Joe Cheshul, young Bayonne heavyweight, in a ten round no decision bout Nov. 22 at Newark armory for the March of Dimes.

The bout would be Louis' first appearance in a Newark ring. The Greene state athletic commission approved the match.

## FLIES FARTHER

Longest migratory flight of any bird is that of the Arctic tern, which flies 11,000 miles every year from the Arctic to the Antarctic.

By Bob Morris

Jackieville high school's grid masters are turning the final pages of the '49 season two at a time. The Crimsons rip the last two leaves out of the current best-selling edition of the week when they tangle with two grid foes instead of the usual one. Playing at Rushville tonight, they return home for the grand finale Friday with Havana furnishing the opposition. Come on boys, let's beat the snow!

**How Father Time can swing that scythe!** 'Twas only yesterday that we were rushing from one Jacksonville football camp to the other in an effort to get the pre-season dope on how each coach's football prospects looked. Now, basketball teams are beginning to clamor for notice as they ready for this winter's chart. Virginia, Ashland, Waverly and Bluffs have submitted their schedules and the grapevine whispers that non-football schools have been practicing for the past month. Some of the smaller schools will be playing games this weekend.

We're way ahead of ourselves, but some of the boys who are in the know claim that Carroll Lowe from over Waverly way is going to be loaded for bear this season. "Pickles" Mitchell, who turned out to be a ruffian on the turf this year, returned to form the nucleus of a potentially great Scottish quintet.

John Chapman, new J.H.S. cage mentor, is dividing his attention between football and advance basketball workouts. His two- sport men have been subject to some twin-drills already this fall. Paul Stroud who started with a cast of green hands at Routt last year and built them into a winning combination in his first crack at the coaching game, has enough "peeps" to go far on the hardwood this winter.

## Chicago Stags Open NBA Season

Chicago, Oct. 31—(AP)—The Chicago Stags, winners of six straight exhibition games, launch their National Basketball Association season tomorrow night against the New York Knickerbockers at the Chicago Stadium.

Another N.B.A. contest, between the tri-city Blackhawks and the St. Louis Bombers, is on a double-header program.

Other league openers will be held at Rochester and Indianapolis.

The Sheboygan Redskins play the Royals at Rochester and the Denver Nuggets will help the Olympians open at Indianapolis.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 31—(AP)—Steady to lower prices showed up throughout the livestock list today. Hogs were as much as 25 cents a hundred pounds lower, and cattle and sheep up to 50 cents less.

Most good and choice butcher weights in the porker department brought \$17.00 to \$17.65, the top touching \$17.75, while sows were mainly \$15.00 to \$17.00. An estimated 1,000 head remained unsold at the close.

Choice to prime steers brought \$40.50 to \$41.00, the top. Two loads were in this bracket with most choice kinds getting \$35.00 to \$40.00 and good to low-choice offerings \$26.00 to \$34.50. Good heifers were \$26.00 to \$30.00 but a load of high-choice material hit \$37.50. Good cows settled up to \$19.00, sausage built to \$20.00, and vealers to \$29.00 practically all the way. A load of choice Colorado feeding steers sold at \$25.75.

Choices lambs made \$23.25 to \$24.00, the practical top, while good to choice yearlings fetched \$20.00 to \$20.75 and ewes \$18.00 to \$11.00. Slaughter receipts were estimated at 13,000 hogs, 12,000 cattle, 600 calves, and 3,500 sheep.

## 61st Edition Of National Horse Show Opens Today

New York, Oct. 31—(AP)—The 61st edition of the national horse show—the world series of the equine set—begins an eight-day run in Madison Square Garden tomorrow when it's over exhibitors will have carried away \$2,000 in prizes.

Mexico's famous military jumping team will be the center of attraction for the swank opening night audience. Traditionally, the first night of the horse show is one of the main events of the New York social season.

Although more than 200 horses are scheduled to participate in the various classes, the main interest will be focused on the military events in which Chile, Canada and Ireland will attempt to displace Mexico as the big winner.

Last year, Col. Humberto Morales, the Olympic champion, brought his team here and won eight of the 11 classes.

Spain and France, which has not sent a team this year, amused one.
